Family-to-Family Education Program

**Major Depression
Bipolar Disorder (Manic Depression)
Schizophrenia and Schizoaffective Disorder
Borderline Personality Disorder
Panic Disorder and Obsessive Compulsive Disorder**

A series of 12 weekly classes structured to help caregivers understand and support individuals with serious mental illness while maintaining their own well being. The course is taught by a team of trained NAMI family member volunteers who know what it's like to have a loved one struggling with one of these brain disorders. There is no cost to participate in the NAMI Family-to-Family Education Program. Over 300,000 people in the U.S., Canada and Mexico have completed this course. We think you will be pleased by how much assistance the program offers. More information can be found at www.nami.org/F2F
