GRIEF AND ILLNESS SUPPORT FOR CHILDREN AND THEIR FAMILIES

ARE YOU AND YOUR CHILDREN STRUGGLING WITH
A LIFE THREATENING ILLNESS?

HAVE YOU BEEN IMPACTED BY A DEATH IN YOUR FAMILY?

Circle of Care can provide support!

Circle of Care assists children and families coping with a life-threatening illness, loss, bereavement, or trauma.

We offer low fee and sliding scale counseling for individual children and their family members, as well as family counseling with our skilled clinical interns and trainees in our clinic in Oakland. No one is turned away for lack of ability to pay.

We welcome all families, regardless of income level, race, ethnicity or family constellation.

We also offer group support services when appropriate.

Circle of Care is a program of the East Bay Agency for Children and has been serving residents of Alameda and Contra Costa Counties since 1982.

Circle of Care is one of very few programs in the country devoted exclusively to the needs of children and their families who face these overwhelming family crises.
