Support Groups for Families with Kids

Living with Illness in your Family

- Separate groups (by age 3-17)
- Kids with ill caregivers or siblings
 - Ill kids
 - Ill teens
- Ill caregiver adults
- Support caregiver adults

Groups meet
twice monthly,
6:30-8:00pm
in Oakland

Our peer support group offer a chance for children who have an ill family member to cope with their challenges through play, art, music and social engagement. Kids learn to journey the road of living and healing as a community. We also offer two separate adult support group at each meeting. One for ill parent/guardians and adult caregivers to help with the unique parenting challenges that they face in their families.

Pre-registration and in-person
intake is required. Some
services available in Spanish
